

Week beginning: 14.3.2010

This week in Year 1, we are learning:

Sound: Review of all sounds covered so far and “ow”

Literacy: Fantasy stories

Numeracy: 3D Shapes /Adding and taking away using a number line

Topic and Science: Space / Light and Dark

Dear Parents,

Year One will be choosing a list of spellings each week relevant to the topic and key words. Please help your child learn to spell these words by practising them daily. We are practicing these commonly used words again as the children need to remember how to spell them in their independent writing.

Words	Sunday	Monday	Tuesday	Wednesday
came				
come				
give				
have				
saw				

Please practice writing your first and last name with a capital letter at the start and lower case letters for the rest of your name.

Optional Homework

- 1. Look around your home for sources of light e.g. light bulbs, candles, torches. How many sources of light can you find?***
- 2. Write numbers facts totaling to... (e.g. $8+0=8$, $7+1=8$, $6+2=8$). What do you notice? Try your subtraction facts (e.g.. $8-0=8$, $8-1=7$)? What do you notice? Is there a pattern?***

Ext words: know, glow, “your last name”

Thank you for your support, the Year 1 Team
