

Week beginning: 28.2.2010

This week in Year 1, we are learning:

Sound: air

Literacy: Fantasy Stories

Numeracy: Solving everyday problems with addition and subtraction

Topic and Science: Space / Light and Dark

Dear Parents,

Year One will be choosing a list of spellings each week relevant to the topic and key words. Please help your child learn to spell these words by practising them daily. We are practicing these commonly used words again as the children need to remember how to spell in their independent writing.

Words	Sunday	Monday	Tuesday	Wednesday
fair				
stair				
hair				
baby				
once				

Please practise writing your first and last name with a capital letter at the start and lower case letters for the rest of your name.

Optional Homework

1. Put your spelling words in alphabetical order. Choose two spelling words and use them to write sentences. Remember to use capitals, full stops and finger spaces.

2. Practise your addition facts for numbers to 5. Can you find all the ways to make 1,2,3,4 and 5. eg for 3: $0+3=3$, $1+2=3$, $2+1=3$, $3+0=3$. etc

Ext words: friend, share, torch

Thanks Year 1 Team
