Letter to Parents

Dear Parents,

Thanks for all the parents who came in and helped to make our "Space" central area. We all appreciate your help and cooperation.

Please can you make sure that your child brings a water bottle to school everyday, as we are noticing some children are forgetting it regularly? We do provide a plastic cup for them; however this is not very practical especially when we are taking them outside. Also can you please make sure your child's name is written clearly on their hat to avoid it getting lost.

Please remind your children to bring their recorders with them every Wednesday.
