

# Green Go-Karts

6<sup>th</sup> December 2009

Dear Parents,

Can you believe we have nearly come to the end of the first term? It is amazing how fast time flies. Just to keep you updated for the next week. On Wednesday 16<sup>th</sup> December the Green Go-Karts would like to invite you to our Christmas sing-a-long. The little show will start around 12:50pm so if you could arrive by 12:45pm that would be fantastic. Feel free to add some holiday cheer by wearing a Christmas hat or for the more adventurous Mums and Dads, a pair of reindeer antlers☺.

We will be setting up a little post office role-play area in the classroom this week so we can send our wish list to Santa. If you have any decorations or Christmas items you would like to add please feel free to send them in. Remember to mark your name clearly on all your items. As we only have a few days left of this term, I would like to say a HUGE thank you for all your help this term, I know the children really look forward to the different activities on offer. A new calendar will go up towards the end of the week for next term so feel free to add your name to an activity. There are three different activities for you to choose from, a class activity, a story telling activity or a free flow activity. Remember that you will be volunteering for approximately six weeks at a time so the children will get to know you and on what days you are coming in.

Our new topic for January will be "Growing and Recycling". We will be looking at how plants grow as well as the life cycle of frogs and butterflies. The children and I will brain storm a few ideas for a great role-play area for next term. I will keep you posted on things we might need.

All that is left is for Ms Distor, Mrs Piccioni and I to wish you a wonderful Christmas break and we look forward to another exciting topic when we return.

Kind regards,  
Mrs. Carolin
