

Dear Parents,

We still have places left for the Ski Trip to Switzerland in January 2010. The cost of the trip is Dhs 8500; this includes flights, accommodation in a chalet, all food and drinks, ski passes, ski/snowboard rental and afternoon and evening activities. The children are fully supervised throughout the trip by staff from Horizon and qualified, experienced ski instructors. The ratio while we are there is about 1:4. The trip has been running for the past three years and has always been a fantastic experience! Please come and see me or phone before Thursday if you are interested.

Mrs Prosser
