

My UAE Treasures

Our new topic is the UAE. The best way to learn is from each other so help us get our learning hats on by collecting the following items to **show and share** with the class.

Please remember to label everything so that it can be returned to you safely. Children can present their treasures in any way such as a poster, in a box or bag. Please send in completed projects by Sunday, 11th October 2009. Thank You. 😊

1. A picture of you in the UAE.
2. Something that reminds you of the UAE (Dubai)
3. What you love most about the UAE
4. Something that you want to learn about the UAE.
